MEMORANDUM FOR: Director of Central Intelligence

25X1A SUBJECT : Revised [REDACTED] Paper - 15 November 1962

I make the following comments on the revised [REDACTED] paper in order that the records will be accurate:

25X1A

a) Paragraph 56. May be somewhat misleading. I have not found any record in COMOR of the San Cristobal area as a target until 3 October.

b) Paragraph 57. Some of the delay (4 to 9 October) resulted from the Special Group request to DNRO to prepare an over-all Cuban reconnaissance program including vulnerability studies on U-2 vs. SAM sites in Cuba.

c) Paragraph 62. I believe USIB considered the COMOR paper on 10 October after the Special Group meeting, not before on 6 October.
